Am I crazy or am I blind?
Someone told me I'm out my mind,
Ohhhhhh,
Someone told me a girl I liked,
Fell in love and all I did was cry,
Ohhhhhh,
Someone hold me, I'm done with this game,
Said I'm sorry, but i'm not to blame, What a shame,
Ohhhhhh,
Tried to break from this lonely pain,
Someone told me I'm just insane,
Ohhhhhh,
Broke my heart when I knew,
That I could never be with you,
Ohhhhhh,
Someone love me, but not today,
Will you show me? Show me a way, how to love,
Ohhhhhh,
Someone told me a girl I liked,
Fell in love and all did was cry,
ohhhhhh
