Chorus:
I won t never let you go
You ain t gotta worry bout a thing baby
Every single day I'ma let you know
Uh baby can t you see, you re the one for me
I won t never let you go
You ain t gotta worry bout a thing baby
Every single day I'ma let you know, oh, oh
You re my everything
It started back in middle school
Back when it was puppy love
Now it s so much more than that
It s something I ve been dreaming of
It s crazy looking back, thinking bout when we were kids
But it s funny cause my feelings for you haven t changed a bit
I remember growing up, looking at my mom and dad
Thinking when I m older, that s exactly what I wanna have
And I think I finally found it, ever since the day you came along
I never doubted us, I swear I knew it early on
Baby you my best friend, yeah I hope you know
We ll go down together just like dominoes
They say there s no such thing as fairy tales
But this seems to be!
Girl I couldn t tell you what you mean to me
Chorus:
I won t never let you go
You ain t gotta worry about a thing baby
Every single day I'ma let you know

I won t never let you go
You ain t gotta worry bout a thing baby
Every single day I'ma let you know, oh, oh
You re my everything
Yeah, remember laying on my roof, looking at the stars
I pointed to the biggest one and said that one is ours
You ain t just a random girl, neah, we go way back
Always doing laps around my mind, like a race track

I been chasing after you ever since I was five foot
Circling your picture with a sharpie in my yearbook
That might have sounded kinda creepy,
yeah it s cheesy, but it s true girl, I swear that you
complete me
Cause you everything I wanted more, never felt like this
before
Looking in your eyes sends chills down my spinal cord
I can only á1—ray to God you feel the same
Yeah, girl I love you, that will never change
3 x Chorus:
I won t never let you go
You ain t gotta worry bout a thing baby
Every single day I'ma let you know
Oh baby can t you see, you re the one for me
I won t never let you go
You ain t gotta worry bout a thing baby
Every single day I'ma let you know, oh, oh
You re my everything
