Mariechan:

I lose control of my emotions
When you're near life seems even more precious
As I gaze into your eyes
I see the love inside
A moment stolen in time,
A moment that is yours and mine.

Chorus:

A new life I gave to you, a life that's pure and true
Beauty can describe your perfection.
As I feel the warmth of our connection,
Troubles are as light as air
Coz you're my love, My first love

A new life I gave to you, a life that's pure and true
Beauty can describe your perfection.
As I feel the warmth of our connection,
Troubles are as light as air
Coz you're my love, My first love
My Baby

Oooh oh oh

Liesl:

You cleanse your tiny fingers all around mine
It was you and me through the whole night
I couldn't ask for anything more

Jacqui:

Coz now that I have you, my life's fulfilled
Time cannot erase the joy in my heart you place
You're so tiny and so fragile
I can't believe I reached this mile
You give me so much more
A love I'll always adore
A moment stolen in time
A moment that is yours and mine

A new life I gave to you, a life that's pure and true
Beauty can describe your perfection.
As I feel the warmth of our connection,
Troubles are as light as air

Coz you're my love, My first love

A new life I gave to you, a life that's pure and true
Beauty can describe your perfection.
As I feel the warmth of our connection,
Troubles are as light as air
Coz you're my love, My first love
My Baby

Ooohh oh oh
My baby x2
