Day after day, night after night
Nothing in love is black or white
Deep down inside, trying to touch
Wanting to say, "I love you so much"

Wish for a star, sparkling light
Don't run away, just hold me tight
Deep down inside, trying to touch
Wanting to say, "I love you so much"

Ahava, tomorrow we will find
Ahava, a way into the light
Ahava, you and I
Ahava

Yo vo cha yom, le cha ve li
Ya vo cha yom, koo lo she li
Bli mil ha ma, bli ema
Rak ahava, le ne sha ma

Ahava, tomorrow we will find
Ahava, destiny is calling
Ahava, you and I
Ahava
