"Goodbye"

tell me what to do
tell me what to say
do i have to feel glad?
or do i have to feel sad?

how many years have gone?
another years would come
its a great challenge in life
to face the obstacles
as we say.....

CHORUS:

goodbye, goodbye
i dont wanna lose you
start to face the new world
journey of my life
goodbye, goodbye
i dont wanna lose you
memories of my past
my life i had
would be brighter as the sun
goodbye, goodbye.....

BRIDGE:

i know that we're be going away
its hard to follow
path of our own sorrow
but still here i am
ready to lean on
ready to move on.....

REPEAT CHORUS 2x

goodbye,goodbye
goodbye,goodbye
(till fade)
