Hi, hello, its nice to see you again,
I didn't quite expect this..
I don't know wat to say,
Seems so strange to see u standing there
Thought u left forever now u reappear
Yes I know its been a long long time
and yes we left on a sad one note
that let two has said goodbye
but here we are my heart beats once again..
is this a new beginning what can I say
well hello?..

Seems so strange to see u standing there
thought u left forever now u reappear
Yes I know its been a long long time
and yes we left on a sad one note
that let two has said goodbye
but here we are my heart beats once again..
is this a new beginning what can I say
Well hello..

Yes I know its been a long long time
and yes we left on a sad one note
that let two has said goodbye
but here we are my heart beats once again..
Is this a new beginning what can I say
well hello?..
