When you don't see me  
Its not a matter of going to grow  
Its not a matter of time or how I feel  
I'm throwing off the shadow of a better man now  
What you see is what you never had  
Get real  
Get another

I don't exist when you don't see me  
I don't exist when you're not here  
What the eye don't see won't break the heart  
You can make believe when we're apart  
But when you leave I disappear  
When you don't see me

Oh, it's kind of different when your there  
You can lease the peace of mind  
You bought a mask I put it on  
You never thought to ask me  
If I wear it when you're gone  
Get real  
Get another

I don't exist when you don't see me  
I don't exist when you're not here  
What the eye don't see won't break the heart  
You can make believe when we're apart  
But when you leave I disappear  
When you don't see me

You never learned  
You bought me  
Everything and less  
I turned  
You couldn't let me move  
I guess I don't deny it don't disprove  
What you see is what you lost  
If I were you I wouldn't try  
Get real  
Get another

I don't exist when you don't see me  
I don't exist when you're not here  
What the eye don't see won't break the heart  
You can make believe when we're apart  
But when you leave I disappear  
When you don't see me

I don't exist when you don't see me  
I don't exist when you're not here  
What the eye don't see won't break the heart  
You can make believe when we're apart  
But when you leave I disappear  
When you don't see me

I
