If I wrote a note to God  
I would speak what's in my soul  
I'd ask for all the hate to be swept away  
For love to overflow

If I wrote a note to God  
I'd pour my heart out on each page  
I'd ask for war to end  
For peace to mend this world  
I'd say, I'd say, I'd say

Give us the strength to make it through  
Help us find love cause love is over due  
And it seems like so much is goin wrong  
On this road... we're on

If I wrote a note to God  
I'd say please help us find our way  
End all the bitterness  
Put some tenderness in our hearts  
And I'd say, I'd say, I'd say

Give us the strength to make it through  
Help us find love cause love is over due  
And it looks like we haven't got a clue  
Need some help from you  
Grant us the faith to carry on  
Give us hope when it seems all hope is gone  
Cause it seems like so much is goin wrong  
On this road we're on

No, no no no  
We can't do this on our own  
So

Give us the strength to make it through  
Help us find love cause love is over due  
And it looks like we haven't got a clue  
Need some help from you  
Grant us the faith to carry on  
Give us hope when it seems all hope is gone

Cause it seems like so much is goin wrong  
On this road we're on

No, no no no  
We can't do this on our own  
So, So

If I wrote a note to God
