"You Lead"

I've got waves that are tossin' me,
Crashin' all over my beliefs,
And in all sincerity, Lord,
I wanna be yours,
So pull me out of this mess I'm in,
Cause I know I'm wanderin'
Lead me soul back home again,
I've always been yours,

And this world may push, may pull,
But your love it never fails,

You lead, I'll follow, Your hands hold my tomorrow,
Your grip, Your grace, You know the way,
You guide me tenderly,
When you lead, I'll follow,
Just light the way and I'll go,
Cause I know what you got for me is more than I can
see,
So lead me on, on, on, on and on,
Just lead me on, on, on and on,

As a child I heard your voice,
But as a girl I made my choice,
There is no other way for me,
I'm devoted to you,
Your my peace on the heavy days,
Your the warmth of an autumn blaze,
Your love carries me away,
And it's never to soon, no...

And this world may push, may pull,
But your mercy never fails,

You lead, I'll follow, Your hands hold my tomorrow,
Your grip, Your grace, You know the way,
You guide me tenderly, yeah,
When you lead, I'll follow,
Just light the way and I'll go,
Cause I know what you got for me is more than I can
see,

So lead me on, on, on and on,
Just lead me on, on, on and on,

Sometimes when I wake up, I don't wanna rise up, Out
of my bed, to many thoughts in my head,
Don't wanna be who I used to be,
Gonna take the back seat and let you lead,
And I...
Need to stop, need to stop,
Cause I'm going to fast,
And I...
Know my God is still God, And you got my back,

You lead, I'll follow, Your hands hold my tomorrow,
Your grip, Your grace, You know the way,
You guide me tenderly, yeah,
When you lead, I'll follow,
Just light the way and I'll go,
Cause I know what you got for me is more than I can
see,
So lead me on...
Lead me on...

And I...
Need to stop, need to stop,
Cause I'm going to fast,
And I...
Know my God is still God, And you got my back,
You got my back,
I know ya got me, I know ya got me,
I know ya got me, Lead me on...
