I'm lost in here and I can't see the light,
The room goes cold in the black of night,
But she speaks to me when I look over my shoulder,
Oh Ramona
She takes my hand, and leads the way,
I try and speak but don't have the words to say,
Watch you mean to me,
Ramona,
Ahhh
Ramona, Ramona,
Sings me to sleep at night, when I'm lost in my own
head,
Ramona, Ramona,
You come to me on the wings of night, without you I'd
be rightly dead
Singing all the songs that keep pulling me along to get
me through,
Back to you,
In the freezing cold on a winters day,
She comes to me and steals me away,
And lights the fire, So I can feel warm again,
Ramona
And when the sun breaks through in the afternoon,

She's standing clear in the living room,
Hand in hand we float away,
Ramona
Ahhh
Ramona, Ramona,
Sings me to sleep at night, when I'm lost in my own
head,
Ramona, Ramona,
You come to me on the wings of night, without you I'd
be rightly dead
Singing all the songs that keep pulling me along to get
me through,
Back to you,
The air is gone from my lungs,
Everything has come undone,
But I do it all for you,
I'll do it all for you,
Ramona, Ramona,

Sings me to sleep at night, when I'm lost in my own
head,
Ramona, Ramona,
You come to me on the wings of night, without you I'd
be rightly dead
Singing all the songs that keep pulling me along to get
me through,
Back to you,
Ramona, Ramona
