Lost in a memory hoping you'll find me
Shining so bright I can't see, woah
And I'm losing the strength that I had
When I told you that this was the end, no
And I'm only one step from goodbye
But I,

I can't let you go
You are my home
As hard as I try
To say goodbye
I'm one step behind

It gets so hard when the sun shines
I remember us watching the tides
So close to losing my mind, woah
And I'm losing the logic I had
When I told you that this was the end, no
And I'm only one step from goodbye
But I,

I can't let you go
You are my home
As hard as I try
To say goodbye
I'm one step behind
I'm one step behind

So far away I don't know what you are to me
So far away I don't know what you are to me

I can't let you go
You are my home
As hard as I try
To say goodbye
I'm one step behind

So far away I don't know what you are to me
