Can't you see I'm just a writer  
Learned enough to never be a liar again

Don't you know I'm not an actress  
Taught myself to never ever try to pretend

Don't get me wrong  
I, I have what you don't

I have a heart that's covered in scars  
I got a beach, a melody, and a guitar  
Got a dream that's bigger than me  
I've got a rhyme, a rhythm, and time on the sea  
You'll never take that away from me

I can see you with your judgement  
Don't you know that's all you'll have to show in the end

Don't you know I'll go my own way  
No surprise that I don't really care what you say

Don't get me wrong  
I, I have what you don't

I have a heart that's covered in scars  
I got a beach, a melody, and a guitar  
Got a dream that's bigger than me  
I've got a rhyme, a rhythm, and time on the sea  
You'll never take that away from me

Can't you see I'm just a writer  
Learned enough to never be a liar again

I have a heart that's covered in scars  
I got a beach, a melody, and a guitar  
Got a dream that's bigger than me  
I've got a rhyme, a rhythm, and time on the sea  
You'll never take that away from me  
You'll never take that away from me  
No, no, no  
You'll never take that away from me

No, no
