Life was lost

Once my whole life was lost
And I was never looking forward
I took it to the Cross and washed away

Into a world unknown, from me my demons flown
My flesh and blood atone, I have a new life
New life, stop

God help me, now I pray
And I will never slip away again
I need Your healing power to ease my pain

Please draw me near and I will never fear
I won't shed a tear, I'll breathe again

For He's delivered us from the forces of darkness
And brought us into the Kingdom of the Son
He's delivered us from the forces of darkness
Brought us into the Kingdom of the Son

In Your presence, I can feel You now in me
Take me away, Lord, I pray
Fall on me now
He's my Savior

He's delivered us from the forces of darkness
And brought us into the Kingdom of the Son
He's delivered us from the forces of darkness
And brought us into the Kingdom of the Son

He's delivered us from the forces of darkness
Brought us into the Kingdom of the Son
He's delivered us from the forces of darkness
And brought us into the Kingdom of the Son
