Oh, you want that
There is one way and there is another
But don't you know that you're not alone?
Where is your lover?

Oh, can you see now?
Oh, can you relate now?
Oh, can you see now?

Can you relate now?
Can you relate now?
Can you relate now?

Go
Stay your time
There is one way and there is another

Oh, can you see now?

Oh, can you relate now?
Oh, can you see now?

Can you relate now?
Can you relate now?
Can you relate now?

Is there time?
Is there time?
Is there time?

Oh, can you see now?
Oh, can you relate now?
Oh, can you see now?
