Could they be blamed?
When it's over
No one can take it away

When it's over
No one can take it away
Could they be blamed?

When it's over
No one will take that away
World

One way is the way
Could they?
One way
One way

Could they be saved?
When it's over
No one can take it away

When it's over
No one can take it away
Could they be blamed?

When it's over
No one will take that away
World

Life
Lie
Overturning

Could they be blamed?
When it's over
No one can take it away

When it's over
No one can take it away
Could they be blamed?

When it's over

No one will take that away
World
