### Verse 1.

Fasten your seat belts,  
I Put my hands in the air like i need help.  
I pose for the pics like im famous.  
Imagining the whole world knows what my name is!  
With a drink in my right hand  
Screaming out 'this is life man'  
Im on an all time high and,  
Nobodys bringin me down,  
D-d- thats what im saying and im singing it loud.  
Now i Open up my eyes and im singing to crowds.  
More alive than ive ever been,  
And i got the biggest smile that youve ever seen.  
alive til im dead like professor green.  
Love the vibe of the night, thats the remedy.  
Cant dance but its tough to make my feet stop.  
Especcially when the motherlovin beat drops.

### Chorus.

Im feeling so high  
Put your hands up  
Put your hands up in the sky  
Coz im feeling so alive  
Im so alive

### Verse 2.

Yes i talk a little too much  
And i can get a little bit crazy  
Im like a millionaire with no million  
Thats just how ive been living it lately.  
But im feelin larger than life  
Got a couple screws loose still im sharp as a knife  
I dress to impress like an actor  
Aint you heard that im starring in life?  
I love the life i can taste it its good  
Once you've had a little taster your basically hooked.  
If i could remember all the faces i would  
Man Im sorry if i dont say hey when i should.  
Im in a world full of strangers  
and I get a high off the unknown  
I live for the lights and the lasers  
And i never wanna Come home

Chorus

Bridge.

Feeling alive, yeah.

Got my hands in the sky,

From side to side, yeah,

Living the life

Im feeling alive, yeah

Got my hands in the sky,

From side to side, yeah.

Living the life,
