Youâ€™re fallinâ€™ head over heels boy;
Youâ€™re playinâ€™ a dangerous game
You canâ€™t come around here;
Talking when you donâ€™t know my name

You can look, donâ€™t touch
Boy just wait a minute
Donâ€™t waste my time, boy youâ€™re not on my
mind
So just move, donâ€™t talk
Boy just wait a minute
Youâ€™re kinda cute, so show me what you got

(Chorus)
Cause Iâ€™m The Boss
You Do As I Say
Cause Iâ€™m The Boss
And Play As I Play
Cause Iâ€™m The Boss
You Do As Your Told
Cause Iâ€™m The Boss
Or Else Youâ€™re Left Cold

Tuck your shirt in, fix your tie, whereâ€™s your
resume?
Can you handle me, your supervisor everyday?
Type my letters, bring me coffee â€” gotta earn your
pay
Keep me happy and do what I say

You can look, donâ€™t touch
Boy just wait a minute
Donâ€™t waste my time, boy youâ€™re not on my
mind
So just move, donâ€™t talk
Boy just wait a minute
Youâ€™re kinda cute, so show me what you got

(Chorus)

Owah, Owah, Owah â€” Oh
Owah, Owah, Owah â€” Oh

Owah, Owah, Owah “ Oh
Owah, Owah, Owah “ Oh

Don’t you want a raise?
Get your own desk
Get promoted to the top and be the finest
I only want you if you can earn your keep
So if you get my number boy you listen to me

(Chorus x2)

You gotta work if you want it
Work if you want it
Do as I say and play how I play
You gotta work if you want it
Work if you want it
Do as I say and play how play
Cause I’m The Boss
