Why am I always runnin' 'round
Reachin' out for the stars?
When everyone one thinks I'm crazy
They don't know who they are
But I know exactly
Who I wanna be
I'm gonna show 'em
I'm gonna do it cause

You can be anything
And anyone
As long as you stay beautiful

Be confident
In who you are
Your dreams can be so wonderful

Finally i found myself
I'm not afraid to be free
I'm gonna take on this old town
Like no one you've ever seen
And I know exactly
Who I wanna be
I'm gonna show 'em
I'm gonna do, do , do it

You can be anything
And anyone
As long as you stay beautiful

Be confident
In who you are.
Your dreams can be so wonderful

Inner Beauty
Inner be-be-beauty
Yea

You can be anything
And anyone
As long as you stay beautiful

Be confident
In who you are.
Your dreams can be so wonderful
