(Verse 1)

Found myself in a second
I found my self in a second-hand guitar
Never thought it would happen
But I
Found myself in a second-hand guitar

(Bridge)

So I've just got to know
I truly have to know
So you've got to let me know

(Chorus)

Is your love big enough
For what's to come?

(Verse 2)

Got so hot in the city
That I
Forgot everything that I was looking for
Made my way to the dance floor
And I
Danced til I wasn't drunk anymore

(Bridge)

So I've just got to know
I truly have to know
Boy, you've got to let me know

(Chorus)

Is your love big enough
For what's to come?
Baby, let me know
Is your love big enough, the path is done
Baby let me know

Underground
Underground
With the friends I've found
Friends I've found

I scream

I scream
On Second Avenue
I scream
On Second Avenue

(Chorus)
Is your love big enough
For what's to come?
Baby let me know
Is your love big enough
The path is done
Won't you let me know

(Chorus)
Is your love big enough
For what's to come? (underground, underground with
the friends I've found, friends I've found)
Is your love big enough, big enough? (underground,
underground with the friends I've found, friends I've
found)

(Chorus)
Is your love big enough
For what's to come?
Won't you let me know
Is your love big enough
The path is done?

(Chorus)
Is your love big enough
For what's to come?
(underground, underground with the friends I've
found, friends I've found)
Is your love big enough(underground, underground
with the friends I've found)
For what's to come?!
