"Angel In My Bed"

I don't know what living's for
I just go on through the door
I think that God has retired
And the Devil, he's still trying hard

Because there's an Angel
In my bed
She said she loves me
Loves me to death

What is wrong, what is right
This goes on all my life
I think that Heaven is for the birds
Hell is out there somewhere here on Earth

Because there's an Angel
In my bed
She said she loves me
Loves me to death

Lord, I know that You don't care
But I think that maybe Satan's deal is fair

Because there's an Angel
In my bed
She said she loves me
Loves me to death

There's an Angel
In my bed
She said she loves me
Loves me to death
