"Beyond The Outsider"

Manic mood of a hit and miss
Another dose of unconsciousness
The clouded vision of a gift
Gone wrong

This is the story 'bout the one
Whose head to get the life
Gave a life instead
To be real was to lose control

You don't wanna know
You don't wanna know, nothing's ever happened
You don't wanna know
You don't wanna know, nothing's ever happened
Beyond the outsider, outsider, outsider

The clutching hand touches stone backs off
To the rhythm of the also lost
I dream of Jeannie and don't need to walk

You don't wanna know
You don't wanna know, nothing's ever happened
You don't wanna know
You don't wanna know, nothing's ever happened
Beyond the outsider, outsider, outsider

Come on, baby, take me to your heart
Come on, baby, take me to your heart
Come on, baby, take me to your heart
Come on, baby, take me to your heart
Beyond the outsider, outsider, outsider, yeah
