"Blame Your Parents"

De schooling, grind breeds unrest
Adult children get depressed
Transparent self will always fail
Archaic man leaves a trail

Subhuman rubbed in parading eyes
Libido pastures and the drug-nose highs
Horns and hooves, quest for death
Existential vacuum become a rest

Memory is lost to pride
Memory is lost to pride

Puppets all take up slack
Single minds won't give it back
Unconscious God broadcast fraud
Secret selfish goals defer the path

Tribal order, suicide
Super ego sucking genocide
Blame your parents' broken image
Blame the counter-culture and the global village

Memory is lost to pride
Memory is lost to pride
Memory is lost to pride
Memory lost to pride

Freud was wrong, he told a lie
It was child abuse and Oedipus should die
He milked the brain's trance-like state
Blame your parents

Memory is lost to pride
Memory lost to pride
Memory lost to pride
Memory lost to pride

Memory lost to pride
Memory lost to pride
My memory, my memory
My memory, my memory
