I wanna take you hold you so tight
I'm not gonna save you I'll spend you tonight
Who'll be the master who'll be the slave
Who'll take the hassle then go insane
You could've picked anyone
could've walked away
Could've picked anyone now I've got to say

CHORUS

Couldn't be sorry to you
I don't know what it means
Couldn't be sorry true
I don't know what it means do you

I'll never leave you always I'm here
To mask your perception deflecting your fear

Don't be a baby don't be a chore
Don't drive me crazy and
don't you make me bored
You could've picked anyone
could've walked away
Could've picked anyone now I've got to say

CHORUS

Dreary dreary day sun won't shine
If it has to be this way say you're mine

CHORUS x 2
