

54-40 "Cry A Little"

Visit "[Cry A Little](#)" on MotoLyrics.com

Our clever hopes have expired
Unbitten by desire
Explain it I don't get it
We told each other we were dying
To be left as one
I'm gonna do do you a favour
I'm gonna show you now
You're walking into the danger
Of bringing your man down

CHORUS

Cry a little cry a little harder
Cry a little for your man
Try a little try a little longer
Like I know you can

That's how we dress for a ruin
What we never did we won't be doing
You explain it I don't get it
We told each other we were dying
To be left as one
I'm gonna do you a favour
I'm gonna show you how
You're walking into the danger
Of bringing your man down

CHORUS x 2
