Look into the wailing wall  
Tell me what you see  
Is there anyone out there  
Look into your tea cup  
Tell me what you read  
Is there anyone out there

### CHORUS

Should be counted should be whole  
Should be ransom for some soul  
Need connection need connection  
need connection

Look into the crystal ball  
Tell me what you see  
Is there anyone out there  
Stick it to the voodoo doll  
Tell me if it bleeds  
Is there anyone out there

### CHORUS

On the steps singing for a friend  
It's bagman backhand grand marcee  
He's got a junta to parlez  
A two time loser for the kill joy  
In a last ditch in a jiff  
He's got a sour note out of place  
nervous face  
In a trigger happy way  
Sweating bullets all day  
Make'em make'em gang way  
For the big enchilada  
Yeah yeah and I'm crashing the gates  
I hear the whammy and I'm setting  
it straight
