I'm at the station  
Suitcase in hand  
I will be leaving  
Never coming back

May be crazy  
But she's insane  
She threw me out now  
And turned the other way

She had always said  
Man, we got it bad  
But this don't feel  
Like we're friends

We had a place  
We would call home  
We'd never use it  
Unless we were alone

She did her thing  
I didn't mind  
We share the bed now  
Roll away the time

She had always said  
Man, we got it bad  
But this don't feel  
Like we're friends  
This don't feel  
Like we're friends

She had always said  
Man, we got it bad  
But this don't feel  
Like we're friends  
This don't feel  
Like we're friends

This just feels like the end  
This just feels like the end
