# "I Wanna Know"

I'm standing lonely  
just a waiting for a call  
Know I'm not the only one at all  
Don't like going nowhere  
when I stroll along the street  
Only take my orders from inside me  
I wanna know  
I wanna know  
I wanna know where to go when I am told  
I'm rubbing shoulders with the people I believe  
Don't get much to eat  
and I know I never ever sleep  
I feel like a soldier  
just waiting to be free  
Fighting for that something that says  
"Hey what's in it for me?"  
I wanna know  
I wanna know  
I wanna know where to go when I am told
