She lies to me
Lies to me
I don't wanna know
What she really sees

What is wrong with me?
I'm not supposed to be happy all the time
But I'm willing to bet it doesn't matter yet
As long as she doesn't mind

Telling lies to me
Lies to me
I don't wanna know
What she really sees

Maybe it's not fair to her
To believe in what she says
That's the way it goes sometimes
And it can also go the other way

I wasn't wide awake
When she said to me, "Buddy, you're alright"
But I think she knows and I know it shows
That I'm confused all the time

She lies to me
Lies to me
I don't wanna know
What she really sees

Lies to me
Lies to me
I don't wanna know
What she really sees

Maybe it's not fair to her
To believe in what she says
That's the way it goes, sometimes
And it can also go the other way

I wasn't wide awake
When she said to me, "Buddy, you're alright"

But I think she knows and I know it shows
That I'm confused all the time

She lies to me
Lies to me
I don't wanna know
What she really sees

She lies to me
Lies to me
I don't wanna know
What she really sees

Lies to me
Lies to me
I don't wanna know
What she really sees
