One day in your life  
Shouldn't be a problem  
One day in your life  
Shouldn't cause you pain  
Because it's one day that  
You might never be around here  
And I'll never ever see you again

One day in your life you  
Don't have to worry  
One day in your life you  
Don't have to cry  
Because it's one day that  
You might never be around here  
And I'll never ever see you alive

Chorus:  
One day  
One day

One day in your life you feel  
Something in you  
One day in your life your  
Heart will free your fear  
Because it's one day that  
You might never be around here  
And I'll never ever see you alive

Chorus

Go back  
There's nothing you can do about that  
Go back  
The only one talking talks back  
Go back  
Inside, you must serve inside  
One day in your life  
Shouldn't be a problem  
One day in your life  
Shouldn't cause you pain  
Because it's one day that  
You might never be around here

And I'll never ever see you again

One day in your life you  
Don't have to worry  
One day in your life you  
Don't have to cry  
Because it's one day that  
You might never be around here  
And I'll never ever see you alive

Chorus:

One day  
One day

One day in your life you feel  
Something in you  
One day in your life your  
Heart will free your fear  
Because it's one day that  
You might never be around here  
And I'll never ever see you alive

Chorus

Go back  
There's nothing you can do about that  
Go back  
The only one talking talks back  
Go back  
Inside, you must serve inside
