You don't suppose he would seduce her
If he thought she would refuse it
She consented too glad to breathe
But of course it was Milly who screamed
She found out how love causes damage
Left with a package in her body
It's her body

She never meant to tell the father
What they never had was no longer there
Easy baby come easy go coat hanger
She wants to live in peace and not anger
But he found out that his work was cut
Out of her body

CHORUS

It's her body
It's her body and she has to do
what she has to
Do for her body for her body

Stick to Milly don't let her fall
Stick to Milly don't let her fall
Stick to Milly don't let her fall
You don't suppose she'd refuse
If she thought they'd abuse her body

CHORUS

It's her body
It's her body and she has to do
what she has to
Do for her body for her body
