Some equal man here is telling it to me  
On how to live and what I ought to be  
I don't like you, I don't like what you do  
I don't like it when you tell me to

Chorus:

Walk in line  
Walk in line  
Walk in line  
Walk in line

I'll tell you something you don't seem to understand  
It's already going according to the plan  
You're free to choose your attitude  
And free to lose what's inside of you

Chorus

Love is a power that makes the heart  
Yet the heart can't make that power  
And that the walk of love is strong, strong, strong

You know what we are  
We are children  
We can love and listen to our soul  
There's a place for everybody here  
To that space now never should we fear to...

Chorus
