Feel the beat of the night
I wanna drive you to my pray
Feel the beat of the night
The beat of the night

The beat of the night
The beat of the night

You don?t understand why I keep on praying
I don?t feel the pain holdin' on my faith
Do you feel secure, do you feel in chains?
Life is not a game, you?re not here to play

You don?t feel alright everywhere you go
Time is getting cold and nothing?s goin' on
You can?t lose your mind and you can?t lose your face
Lord won?t let you down when you need to stay

Feel the beat of the night
I wanna drive you to my pray
Feel the beat of your life
You know, you?ll never change your way

Feel the beat of the night
The beat of the night
The beat of the night
The beat of the night

Life will never be, never be the same
We could lose control, we could be afraid
Things inside of me made me change that way
The power of your love revives everyday

Feel the beat of the night
I wanna drive you to my pray
Feel the beat of your life
You know, you?ll never change your way

Feel the beat of the night
I wanna drive you to my pray
Feel the beat of your life
You know, you?ll never change your way

Feel the beat of the night
The beat of the night
The beat of the night

Feel the beat of the night
I wanna drive you to my pray
Feel the beat of your life
You know, you?ll never change your way

Feel the beat of the night
I wanna drive you to my pray
Feel the beat of your life
You know, you?ll never change your way
Feel the beat of the night
