Uomo:/ Man:

Blue like happiness
my life goes on like a boat
and every day is a slice we know it
almost half is left of this apple of mine
You're the only one who can move the border
by turning me into a prince.

Biancaneve vuoi dirmi chi e?

Lo sai anche tu centra poco con me
forse una strega mi sento semmai
si addice di piu lo pensi anche tu
ma guarda questi occhi miei, ti bruciano
senti queste mani mie, ti incendiano.

Giuro che ti mangerei

a morsi ti divorerei,
con molto gusto, amore
giuro che ti abbraccero
di baci ti soffochero
per farti mio, amore.

Insieme: / Together:

Without you, without you, without you
but where am I going to without you, my love?

I swear you won't regret it

I am the paradise, yes I really am
the witch you want,

the wonderful witch you desire.

Hey Biancaneve che accade che fai?

Ti piace di piu essere strega.

Donna: / Woman:

The grit is what it is, I like it this way
I have fire in my blood, I'll be your drug.

Dimmi che pero mi vuoi e subito
dimmi che non ce la fai a vivere.

Insieme: / Together:

Without me, without me, without me,
without me, but where are you going, my love?

I swear I will embrace you

I will suffocate you with kisses
in order to make you mine, my love.

Presto tu ti accorgerai
che Biancaneve strega hai
come mi vuoi, amore.

Insieme:

I swear you won't regret it

I am the paradise, yes I really am,
my love.
I am the paradise.
Voglio amarti semplicemente
Donna: / Woman:
Don't suffer in vain
Da oggi in poi noi due, noi due teneramente
Insieme:
Without you, without you, without you
but where am I going to without you, my love?
I swear you won't regret it
I am the paradise, yes I really am.
My love
I am the paradise.
