A voice in the night
Baby, I hear you calling
A light in the dark
And I remember the pain in my heart

Claro De Luna

A voice in the night
Baby, I hear you calling
A light in the dark
And I remember the pain in my heart

A passion inside
Said that you loved me
And would never give up

But you told me lies, oh, baby
Changed your mind
Ran away and said goodbye

Claro De Luna
I'll never forget my baby
Claro De Luna
I'll never forget my sweetest night

Claro De Luna

I don't wanna cry
But tears keep on falling
I was so blind, I should have known
There was something to hide

I gave you my life
And all that you wanted
From me was a night

I've opened my eyes now, baby
You played with my heart
Now I break down and cry

Claro De Luna
I'll never forget my baby

Claro De Luna
I'll never forget my sweetest night

A voice in the night
Baby, I hear you calling
A light in the dark
And I remember the pain in my heart

Claro De Luna
I'll never forget my baby
Claro De Luna
I'll never forget my sweetest night

Claro De Luna
I'll never forget my baby
Claro De Luna
I'll never forget my sweetest night
