Don't love me, baby
I don't want you

No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no

I see you walking under the rainfall
Let you know that you're part of my life
It's so hard to declare that it's over
You're still in my mind, in my mind

No, no, no, no
Come on, baby
No, no, no, no
Get out of my life

No, no, no, no
Come on, baby
Get out of my life
Of my life

Don't love me, baby
I don't want you
'Cause my heart can't resist tonight

Don't love me, baby
I don't want you
'Cause my heart can't resist tonight

No, no, no, no
Come on baby, hello
No, no, no, no
I wanna love you forever

I hear you talk to me 'bout the future
But you're just fooling me with your lies
Once you said that it should last forever
With you by my side, by my side

Don't love me, baby

I don't want you
'Cause my heart can't resist tonight

Don't love me, baby
I don't want you
'Cause my heart can't resist tonight

Don't love me, baby
I don't want you
'Cause my heart can't resist tonight

Don't love me, baby
I don't want you
'Cause my heart can't resist tonight

No, no, no, no
Hello, baby
