Feelings  
Feelings of my pain  
Sitting on this train  
This lonely night

Feelings  
I got you under my skin  
I really want you on my skin  
This lonely night

The night that I'm so sad  
So blue, so very far from you  
And every time I know  
How many times you've gone

Sometimes I feel  
Like a woman in love  
Sometimes I feel  
Like a woman in chains

But every time  
I forget all my fears  
I see your face  
Inside my tears

Feelings  
Feelings of my pain  
Sitting on this train  
This night

Feelings  
I got you under my skin  
I really want you on my skin  
This lonely night

The night that I'm so sad  
So blue, so very far from you  
And every time I know  
How many times you've gone

Sometimes I feel  
Like a woman in love

Sometimes I feel  
Like a woman in chains

But every time  
I forget all my fears  
I see your face  
Inside my tears

But every time  
I forget all my fears  
I see your face  
Inside my tears

Inside my tears
