You know what I'm saying?

Happy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happy

Happy  
It's so nice to be happy  
It's so nice to be happy  
It's so nice to be happy

I wanna take you to my world to be happy  
'Cause I can't live without your love  
Yes, you know

I've never needed anyone to be happy  
But that's the way that things go wrong  
Yes, you know

I was afraid to open my eyes  
Don't even know how many tears that I've cried  
Now that I've found the love of my life  
I don't get down, down, down, down, down

Happy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happy

I've never been in love before and I'm happy  
'Cause you're the one I'm looking for  
Yes you know

You bring the sunshine into my life  
Your lips are burning and the feeling is right  
I can't believe it's true that you're mine  
Don't let me down, down, down, down, down

Happy  
It's so nice to be happy  
Everybody should be happy

It's so nice to be happy  
(Hey, DJ)

I just pray  
You'll never run away  
Can't wait another day  
To hold you tight  
To hold you tight

Happy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happy

Happy  
It's so nice to be happy  
It's so nice to be happy  
It's so nice to be happy  
Everybody should be happy
