"I Love My Boy"

I love my boy, I love my life
I love my crazy boy, my crazy life
I love my boy, I love my life
I love my crazy boy

Get ready for the weekend
We wanna have a party
Do the right thing
Be what you wanna be

I feel it in my fingers
I feel in my body
Get on up, friends
And get into the beat

I love my boy, I love my life
I love my crazy boy, my crazy life
I love my boy, I love my life
I love my crazy boy, my crazy life

I love my life, la, la, la, la, la
I love my life, la, la, la, la, la, la
I love my life, la, la, la, la, la
I love my life

Please tell me what you're thinking
Who's talking about me
Is he your friend
Who's coming over me?

There's nothing you can do then
Stop talking about it
Love my baby
There's no one else for me

I love my boy, I love my life
I love my crazy boy, my crazy life
I love my boy, I love my life
I love my crazy boy, my crazy life

La, la, la, la, la
La, la, la, la, la, la

La, la, la, la, la
La, la, la, la, la, I love my life

I love my boy, I love my life
I love my crazy boy, my crazy life
I love my boy, I love my life
I love my crazy boy, my crazy life

I love my boy, I love my life
I love my crazy boy, my crazy life
I love my boy, I love my life
I love my crazy boy, my crazy life
