In the name of love
Gotta make my way, gotta win my love
What I'm looking for...

Na na na na na na

I try to open my eyes
I'm right on time, to realize that
I need to make up my mind
I'll tell you why my baby!

You gotta to show me now
You'll never let me down
Say you'll be there for me
No matter what they say just stay with me

Cause I believe in the name of love
Gotta make my way, gotta win my love
What I'm looking for

Na na na na na na

Can't you hear what I'm saying?
Show me the pain, you really feel yeah
I know you can understand
Just how I feel my baby

You gotta tell me now
You'll never let me down
Say you'll be there for me
No matter what they say just be with me

Cause I believe in the name of love...

No matter what I'll do
Just wanna be with ou yeah!

Na na na na

Baby that's what I'm looking for
I believe in the name of love!
I believe in the name of love
