Brothers and sister are singing
Let's all go to Jerry

Where do you go when you know you're in trouble
You're way too slow don't need dough he's my brother
Let's all go to Jerry.

Give him a dime for a rhyme
I say no way
Slip him a line for his time he says okay
Let's all go to Jerry
Look at the boy.

He won't tell you no
Jerry will speak up for you
Till there's nothing left to do
Trust me cause I know
Throw the dice it might be nice
No he won't ask you twice

Let's all go to Jerry
It will be alright
Let's all go to Jerry
It's gonna be fine.

And when the world's on your shoulder my brother
You need a force to get up and make it better
You gotta call Jerry, so you can chat !

This is the sign of the time don't you think so,
Open your mind you'll be fine if you free your soul
So thank you Big Jerry
Look at the boy!

There's no need to go
Jerry will be there for you
Till there's nothing left to do
Trust me and you'll know!
Throw the dice it might be nice
No he won't ask you twice

Let's all go to Jerry

It will be alright
Let's all go to Jerry
It's gonna be fine.

Let's all go to Jerry
(It) will be alright
Let's all go to Jerry
It's gonna be fine!
