Here we go
Here we go

I'm walking under the rainfall
I'm ready to get out of my fence
I need a shift, not a shelter
This room is always empty
I know what I need

I keep on dreaming
I look around myself
I'm trying to see my life
And I keep on dreaming
Searching for a brighter light

'Cause I'm looking for my baby all day
I'm looking for my baby, oh yeah
'Cause I'm looking for my baby all day
I'm looking for my baby
I've never ever had enough
'Cause I'm looking for my baby

I'm falling down in a fable
My mind is gone, I'm flying away
I'm sitting over the rainbow
My past is finally broken
I feel so complete

I keep on dreaming
I look around myself
I'm trying to see my life
And I keep on dreaming
Searching for a brighter light

'Cause I'm looking for my baby all day
I'm looking for my baby, oh yeah
'Cause I'm looking for my baby all day
I'm looking for my baby, oh yeah

'Cause I'm looking for my baby all day
I'm looking for my baby, oh yeah
'Cause I'm looking for my baby all day

I'm looking for my baby
I've never ever had enough
'Cause I'm looking for my baby
