Saturday night and I saw him walking down the street
(the street),
And I stood by the cold out waiting for on to meet(to
meet),
Well it happened so fast I had no time to think
It's just a shy kind of girl but I swear the mouth will
speak
Cus' I know (I know), he's the one (the one),
and there's no other girl but me.

CHORUS

My boy, he was made for me
Oh, and I was made for him (for him)
My boy, he's my boy, baby,
and I want everyone to know.
Gonna let it show, anytime or place,
Gonna let it show, when I kiss your face.
Gonna let it show, any place we go, oh oh oh, he's my
boy.

Well tonight is the night
I'm gonna give him everything I've got (all I've got).
Gonna find out for sure
if he loves me or he loves me not (yeah yeah my
darling).

I can't resist and I know he feels the same
no he never ever calls anybody else's name
Cus I know (I know) that he needs (he needs)
A sweet little girl like me.

CHORUS

He loves me (he loves me) he loves me not (he loves
me not)
he loves me (he loves me) he loves me not (he loves
me not)
he loves you long time.

Come on and oh baby and twist this way.
I hope that you bring it up.
Sweet little round did your up and down
I'll give it everything I've got oh baby

One, two, three, four, go.

My boy, he was made for me oh and I was made for
him (for him)

My boy, he's my boy, baby and I want everyone to
know.

He's my boy, he was made for me oh and I was made
for him (for him)

My boy, he's my boy, baby, and I want everyone to
know.

Gonna let it show, anytime or place,

Gonna let it show, when I kiss you face.

Gonna let it show, any place we go, oh oh oh, he's my
boy.
