I wanna hold you baby

I wanna hold you  
Never be lonely with me by your side  
Say that you want me baby  
I got the things you've needed to get by

I wish you love me too  
This time you promise and look into my eyes  
I can give you lovin' baby  
Show me the way to make you feel all right  
Falling in love to you

I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down

Don't wanna loose you  
I know you'll never gonna break my heart  
Say that you want me baby  
I got the things you've needed to get by  
Falling in love again

I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down

I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love  
I'll never let you down

I wanna be your number one  
La la la la la  
I wanna be your number one  
La la la la la

I wanna be your number one  
Nobody else tonight  
You gonna be my crazy love

I'll never let you down

I wanna be your number one

Nobody else tonight

You gonna be my crazy love

I'll never let you down

I wanna be your number one
