Oh mama  
What happemed to me baby?  
I thought I was the only one  
and now I think it's maybe.

What was I thinking  
Now that I'm sinking  
What do I say?  
Oh mama  
Has anybody seen my baby?  
Hey watcha gonna do...

Power glower living on a flower  
Mama keep on telling me baby take a shower  
Give some take some I just wanna have fun  
Mama told me honey stop the clouds and see the  
sunshine

Power glower living on a flower  
Mama keep on telling me baby take a shower  
Give some take some I just wanna have fun  
Where you think I come from

Oh mama  
I thought he was an angel  
He stole my body and my soul  
And now I swim in danger

Now that you've got some  
Don't think that you have won.  
Just wait and see  
Oh darling darling darling  
Your conscious will not let you sleep  
Yes! Watcha gonna do it !

Power glower living on a flower  
Mama keep on telling me baby take a shower  
Give some take some I just wanna have fun  
Mama told me honey stop the clouds and see the  
sunshine

Power glower living on a flower

Mama keep on telling me baby take a shower  
Give some take some I just wanna have fun  
Where you think I come from

You can't come and go as you please !
