"Save A Prayer"

You can't think about tomorrow
When you're livin' in a fight
Deep inside you're feeling pain and sorrow
And you wander in the night

This is my way

Save a prayer for tomorrow
Never close your eyes
Save a prayer for tomorrow
Never be so blind

When the road is long and narrow
And you feel you've lost your sight
Then you need another road to follow
In the dark you will find a light

This is my way

Save a prayer for tomorrow
Never close your eyes
Save a prayer for tomorrow
Never be so blind

This is my way
And I keep on praying

A prayer for you
You know it's true
A prayer for you

Save a prayer for tomorrow
Never close your eyes
You know it's true

Save a prayer for tomorrow
Never be so blind
Oh, you know it's true

Save a prayer for tomorrow
(A prayer for you)
Never close your eyes

Oh, you know it's true

Save a prayer for tomorrow

Oh yeah, you know it's true

Never be so blind

Yeah, you know it's true

And oh, save a prayer for tomorrow
