I'm watching all the pictures of you,  
build up walls, but memories are slipping through,  
and I can't deny the truth anymore,  
nothing will ever more be like before.

'cause I'm fallin', fallin' every time I try,  
and I'm hiding, hiding every time I cry,  
missing you feels like a crime,  
and I'm fallin deeper every time.

Now I'm convinced I was the one to blame,  
you and I will never be the same,  
I miss you more and more every day that pass,  
tell me how long this will last.

I'm not sure if I can take this any longer,  
put my belief in that pain makes me stronger,

but I can't believe this is happenin' to me,  
I'm living a life no one else can see.

'cause I'm fallin', fallin' every time I try,  
and I'm hiding, hiding every time I cry,  
missing you feels like a crime,  
and I'm fallin deeper every time.

Now I'm convinced I was the one to blame,  
you and I will never be the same,  
I miss you more and more every day that pass,  
tell me how long this will last.

I'm fallin' in between everyone,  
the place I owned seems to be gone,  
I'm falling for the one you are,  
I'm falling for you, and I'm falling too far.
