I know the time has come to say something  
It's not too late  
So many times it seemed to be perfect  
but it wasn't great.

No ain't gonna cry for you  
No ain't gonna die for you.

No matter what you're doing or thinking  
I will not stay  
'Cause everybody's looking for something  
Start a new day

I don't know  
How hard it will be  
But I know  
I'll do something!

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will live today  
I'll do my own things , keep on searching  
Live with passion , 'cause this is my life

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will sing and pray  
I'll do something , keep on trusting  
I'll do my own things , 'cause this is my life

Whithout you baby...

I'm not afraid to pack up my few things  
And run away , oh yeah  
And if it's gonna light up some old flame.  
I wouldn't change.

And you may say  
that I dream but I  
I don't care  
I'm gonna do something

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will live today

I'll do my own things , keep on searching  
Live with passion , 'cause this is my life

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will sing and pray  
I'll do something , keep on trusting  
I'll do my own things , 'cause this is my life

(Rap by Sean Daniel Martin)  
Set me free...

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will live today  
I'll do my own things , keep on searching  
Live with passion , 'cause this is my life

Whatever's gonna happen I'm here to stay  
Whatever life will bring I will sing and pray  
I'll do something , keep on trusting  
I'll do my own things , 'cause this is my life
