Yeah check the one I wasn't rock fan  
I knew the police before they had Roxanne  
and then I heard ringle when I act the p\*\*sy is guarded  
so part in it's hip hop thing and just started  
yes now it's me upon the stage  
I took you my letter wrote on the first page like Jimmy  
But John Bono was my fav,  
and there's no other precaution instead I'd rather be  
we hit loud, louder than a factory  
and gave me your stairway that happen simply to the V  
I clap gone for every because he had the cream  
I'ma pouring up but I'm familiar with my journey  
this is the Janice is of all my dreams  
I'm a boss I spring steam the 16  
there's nothing else that I could tell me who's next?  
this is my ball he need a rhapsody

Hook:

And we just wanna rock now  
throw your hands up, throw your hands up aha  
and we just wanna rock now  
throw your hands up, throw your hands up aha

Check the two was a different avenue  
I wasn't fighting 'cause I listened to the fool  
try to reach nirvana but my sound guard and grew  
radio was in my head when pop no honey blue  
Red Hot Chilly Peppers had stacks with the magic  
under the bridge is where I found Lenny Kravitz  
and was sublime the way probably went it add it  
got it's such a young age too bad that he wasn't..  
no doubt now I'm trying to figure out  
we eleven when I was seven but where they act now  
so I turn it upside down  
getting play with Guns and Roses 'cause I was a sweet  
child  
..thought me how to sing in style  
but Michael Jackson was the one that made me feel  
bad, who's bad  
I send my condolences to his fans  
that real is not gone 'cause I can feel it ..then

Hook:

And we just wanna rock now  
throw your hands up, throw your hands up aha  
and we just wanna rock now  
throw your hands up, throw your hands up aha
