I hurt myself today  
To see if I still feel  
I focus on the pain  
The only thing that's real real real  
The needle tears a hole  
The old familiar sting  
Try to kill it all away  
But I remember everything, everything  
Chorus:  
What have I become, become become  
My sweetest friend  
Everyone I know goes away  
In the end  
And you could have it all, have it all, have it all  
My empire of dirt  
I will let you down, let you down let you down  
I will make you hurt

I wear this crown of thorns  
Upon my liar's chair  
Full of broken thoughts  
I cannot repair  
Beneath the stains of time  
The feelings disappear  
You are someone else  
that I am still right here

Chorus:  
What have I become, become, become  
My sweetest friend  
Everyone I know goes away  
In the end  
you could have it all, have it have it all  
My empire of dirt  
I will let you down, let you let you down  
I will make you hurt

'cause you could have it all  
Alright yeah  
'cause you could have it all  
Alright yeah
