Black gleams the eye  
And the fire gold  
In the colours of the night  
You shall wander  
You shall wonder

Shadows of this token  
Sadness of this moon  
Silence of this tomb  
Darkness of this womb  
Sadness of this token  
Shadows of this moon  
Darkness of this tomb

Silence of this womb

Black gleams the eye  
Mast hidden light  
Embrace the stillness  
In the colours of night

...With the wand createth he...  
...With the cup preserveth he...  
...With the dagger destroyeth he...  
...With the coin redeemeth he...
